Selectmen meet every Monday (except holidays) at 7:30 PM
Planning Board meets the second Tuesday of the month at
7:30 PM

Dalton Town Warrant

You are hereby notified to meet at the Town Hall in Dalton, NH on Tuesday, the eleventh day of March next, at 11 o'clock to act upon the itemized subjects to follow. The polls will open at 11 a.m. in the forenoon and will close at 7 p.m. The business meeting will be held at the Dalton School Gymnasium and will be opened at 7 o'clock in the evening.

1. To elect all necessary officers for the year.
2. To see if the Town will vote to raise and appropriate the sum of Four Hundred Fifty Six Thousand Two Dollars (\$456,002.00) for general Town operations.
3. To see if the Town will vote to raise and appropriate the sum of Forty Nine Thousand Ten Dollars (\$49,010.00) for a complete revaluation. Forty Three Thousand Three Hundred Sixty Dollars (\$43,360.00) is to come from a three or five year note and to authorize the Selectmen to issue and negotiate such notes and to determine the rate of interest thereon and to authorize the withdrawal of Five Thousand Six Hundred Fifty Dollars (\$5,650.00) from the Capital Reserve Fund created for that purpose. Two-thirds ballot vote required. The Selectmen recommend this article.
4. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100) to support the printing and distribution of the Connecticut River Corridor Management Plan. The Selectmen recommend this article.
5. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be added to the Highway Department Heavy Equipment Capital Reserve fund previously established for the purchase and replacement of highway equipment. The Selectmen recommend this article.

6. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be added to the Fire Department Major Vehicle Equipment Capital Reserve Account previously established for the purchase and replacement of fire equipment. The Selectmen recommend this article.

7. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be added to the Sewer Pump Renovation and Replacement Capital Reserve fund previously established. The Selectmen recommend this article.

8. Shall we modify the elderly exemption from property tax in the town of Dalton, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$10,000.00; for a person 75 years of age up to 80 years, \$15,000.00; for a person 80 years of age or older \$20,000.00. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$13,400 or, if married, a combined net income of less than \$20,400; and own net assets not in excess of \$35,000 excluding the value of the person's residence. The Selectmen recommend this article.

9. To see if the Town will vote to adopt the minor changes in the town's Floodplain Development Ordinance. Copies of the changes are available at the Town Office. The Selectmen recommend this article.

10. Are you in favor of changing the term of Road Agent from one year to 3 years, beginning with the term of the Road Agent to be elected at next year's regular Town Meeting? The Selectmen recommend this article.

11. To see if the Town will vote to adopt the provisions of RSA 202-A:4d authorizing the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property. This article will remain in effect until rescinded. The Selectmen recommend this article.

12. To see if the Town will vote to raise and appropriate the sum of one thousand (\$1,000.00) to be added to the technology enhancement capital reserve fund and to designate the library trustees as agents to expend. By petition. The Selectmen do not recommend this article.

13. To see if the Town of Dalton will vote to raise and appropriate the sum of \$1,500.00 in support of the Caleb Group Community Partnership Elderly Program. By petition. The Selectmen do not recommend this article.

14. To see if the Town will vote to sell the 1978 International Dump truck and military trailer and to raise and appropriate up to Three Thousand Dollars (\$3,000.00) to be placed in the Highway Department Heavy Equipment Capital Reserve account. This appropriation will be offset by the sale of the dump truck and military trailer. Taxes will not have to be raised for this appropriation. The Selectmen recommend this appropriation.

15. To transact any other business that may legally come before the meeting.

Dean Sweeney, Chairman
Victor St.Cyr
Donald F. Mooney

1996 SELECTMEN'S REPORT

Again this year many positive events have taken place within the town.

The underpass project has progressed very well and we are at the stage where bids have been awarded and the expected completion date is October of 1997.

The new bridge between Dalton and Gilman should be completed by August of 1997.

The John's River Cemetery expansion project has moved along well and the timber cleared will be used for our land transfer station building. When this project is completed the enlarged area will be protected from the river and more lots will be available for use.

The Cushman Cemetery expansion has been completed and lots are now available for sale.

The 911 project is nearing completion. The expected start date by the post office will be by late March of 1997. Many thanks go to the 911 committee that worked hard on maps and maintaining communication with the State to speed up the completion of this project.

Thanks to the efforts of the volunteers the air lock project was completed under budget. The resulting savings in fuel costs will be substantial. Part of this project was an improved drainage system which prevents water from entering the building. Also, the back wall was improved by installing insulation and vinyl siding.

Due to a need for more security, a new alarm system has been installed to protect the area by the police department and the town offices.

The Veterans memorial was completed thanks to the efforts of the committee.

The Simpson Paper Company's dam project has resulted in an increase of revenue for the town.

The Selectmen took the tough action of reducing the budget by an estimated 12% across the range of departments. This action was necessary because of the inability or unwillingness of the school district and county to control their budgets. These actions by the Selectmen will only succeed if all departments cooperate.

The Board wishes to express our sincere thanks for all the cooperation and hard work that was given to us during the year.

Our goals for 1997 will be to:

1. Implement the Re-Val of the Town.
2. Hold the line on expenses during the year.
3. Provide direction to the School District in ways of controlling expenses.

Dean Sweeney
Victor St.Cyr
Donald F. Mooney

Board of Selectmen

REPORT OF THE CANINE CONTROL OFFICER

The past year has been very busy in the area of canine control. The town registered 292 dogs this year which is up from last year. I received numerous calls again this year. Our biggest offense in town is dogs running at large. I have been working on that offense by picking up dogs and impounding them at owners expense and will continue to do so. We had the usual complaints: Lost dogs, running, barking and chasing vehicles.

I also received many calls from October thru December about missing cats, which seems to happen every year in this time frame. Cats are coming up missing probably due to the wildlife.

We spent \$698.00 in boarding and euthanasia of animals which were never claimed. I would like everyone who is missing a animal or finds one to contact me or a police officer or check with Dr. Knight. People are not putting much effort into finding their animals as I would like to see. We put it on the radio on three stations and still have not been able to find the owners at times. It is a law that dogs must wear a collar with a rabies tag. I would like to see identification of any kind on our dogs - rabies tag, name tag, license tag, phone number, anything.

My salary this year was \$336.00. The town received \$400.00 revenue from nuisance abatements collected. We also have an outstanding amount of another \$400.00 abatement due from one individual whose dogs were running at large and chasing vehicles. We purchased a dog crate at a cost of \$209.43. We were still over budget this year, but our fines outweigh the overage. I have no control on the amount of animals found and not claimed. Please help us find your pet or someone's pet by calling.

In 1997, I would like to see less dogs running without supervision and more owners looking for their pets when lost.

Eldora Shannon, Canine Control Officer

1996 Dalton Conservation Commission Report

The Commissioners are almost all new to their responsibilities this year. They have been working very hard at learning the role of a Conservation Commissioner at the same time as they have been getting up to speed on the ongoing projects in Dalton.

The Commission has been working with the Selectmen on the design and organization of the new transfer facility, and the close out of the existing transfer station.

Other projects that have required our time have been the Gilman/Dalton bridge, the Simpson Paper dam project, and the project at the RR underpass on Rte 135. This last project has reached the bid award stage and is going to take even more time and careful review as this project continues into the actual construction phase.

The time for thinking and planning for any personal projects that might have an impact on the local wetlands is now. The Commission would like to remind everyone that this permitting process has changed drastically at the State level. We would also like to take this opportunity to remind everyone that if they are thinking about any such project, we are ready to assist you in preparing the proper groundwork. Discussing your plans now, before spending time and money on paperwork and engineering fees, can help avoid any concerns or potential problems before official review by either the local Commission or the New Hampshire Department of Environmental Services.

We are your local Commission, we are here to help and serve you as individuals as well as the town in general.

John York, Chairman;
Dalton Conservation Commission

REPORT TO THE CITIZENS OF DISTRICT ONE

It is an honor to report to you as a member of the NH Executive Council. The Executive Council is five in number and serves much like a Board of Directors at the top of your Executive Branch of State Government in Concord. We vote on most contracts over \$2,500 to outside agencies, individuals and municipalities, also major permits to use state waters. 267 unclassified positions as Commissioners and Directors within the Executive Branch of State Government, and the entire Judicial Branch of NH State Government is voted in by the Governor with the advice and consent of the Executive Council. We also vote on gubernatorial nominations of hundreds of citizens to various boards and commissions as prescribed by NH Law.

Anyone desiring further information should write or call our State House Office (listed below).

Citizens in this region should be attentive to several projects;

(1) The statewide Health Care Council's 18 month planning project will be coming to conclusion in December 1997. There are three very active Councils in this District. Information can be obtained by calling Commissioner Terry Morton, Department of Health and Human Services at 1-800-852-3345.

(2) The ten year highway planning process will be underway this coming summer and fall. I will be conducting at least three hearings in this district to ascertain regional needs. Information on this project can be obtained by calling Commissioner Leon Kenison, Department of Transportation at 271-3735.

(3) The NH Joint Tourist Promotional Program will, I expect, be funded at least with \$500,000 to be matched by local Chamber of Commerce and tourists groups to promote your region. Information on this program is available from Commissioner Robb Thomson, Department of Resources and Economic Development at 271-2411.

(4) There is approximately \$172,000 waiting to be

matched by local economic development promotion dollars from local groups. Information can be obtained on this program from Director Norman Storrs, Economic Development at 271-2341.

(5) There is about 10 million dollars waiting for applications from local governments for Community Development Block Grants to improve your local town and area. Information on how to apply can be obtained by calling Director Jeff Taylor, Office of State Planning at 271-2155.

(6) Local towns, cities, counties and eligible organizations should be aware of the large Federal and State Surplus Distribution Programs. The state surplus distribution center is open to the public at White Farm on Clinton Street in Concord, NH on Mondays, Wednesdays and Fridays. Further information may be obtained by calling Supervisor Art Hostler, Surplus Distribution at 271-2602.

(7) Citizens and groups concerned with disabilities should be aware of the large number of services available from the Developmental disabilities Council by calling Director Alan Rebuked at 271-3236.

(8) The Department of Environmental Services covering water, sewer, air, lakes and rivers has available information and financial resources by calling Commissioner Robert Varney or Assistant commissioner Dana Disbee at 271-3505.

(9) The Department of Health and Human Services including elderly, mental health, human services, public health, drug and alcohol abuse are all under commissioner Terry Morton at 1-800-852-3345.

Our State Government is small, effective and efficient. It is amazing how many services both technical information and financial assistance is available to eligible applicants and for proposals.

Please call my office at any time. I am at your service!

Raymond S. Burton
State House 271-3632

FIRE DEPARTMENT REPORT

In 1996 the Dalton Volunteer Fire Department responded to 24 calls. this compares to 27 in 1995. Ten of these were mutual aid responses. Eleven calls were considered severe incidents.

Training continued at a high level in 1996. Charles Packard and myself completed the State's career level course. Alan Bean completed the 56 hour First Responders Course for medical personnel.

In August, Dalton's Emergency Management and our Fire Department sponsored the Dupont Company's Hazmat Education Program. Using specially built railway cars, Dupont instructors conducted four days of classes for all interested organizations. These rail cars were then utilized an area wide disaster drill, held on Route 142 near Saunders Mill in Dalton. This drill included railway personnel, all EMS personnel, hospitals, all area fire departments, police, DART rescue, State and local Emergency Management and local Fire Department Auxiliary members. Approximately 200 people were involved. Many lessons were learned by all who took part.

The Dalton Auxiliary provided food and refreshments throughout the week as well as a great dinner following the completion of the drill for all who had participated. We thank them for this huge effort. The fire fighters greatly appreciate their continued support both on and off the fire ground.

In December the pump on our engine began leaking continuously. Gilman Fire Department and Whitefield Fire Department provided coverage while the pump was rebuilt.

Our goals for 1997 include planned training sessions with bordering departments. Completion of a drainage system in the station and an automatic foam system for our engine.

With these efforts we look forward to serving Dalton in 1997.

Allen Blakslee, Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE
FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments.

In January a READ TO ME program was provided by the New Hampshire State Library for the library. Participants learned new and exciting ways to teach the joy of reading to their children and to encourage family reading times. A winter reading program GET THE SCOOP AT THE LIBRARY was held for children. The children enjoyed weekly storytelling and crafts. As a finale to the program the children had ice cream sundaes.

In April the library held a book sale and a penny sale to raise money for shelving for the library. Area businesses donated several prizes and we thank them for it.

The summer reading program was READING... THE BEST GAME AROUND. Twenty-two children participated in this years program. Weekly storytelling and games were enjoyed by the children. Some

special programs were; John Tholl provided picture ID's for the children with finger prints; Kristen Moody put on a puppet show for the children and storyteller Peter Burns performed at the library, funding was provided by Kids Books and the Arts Grant and the New Hampshire State Library. As an end to the summer reading program a picnic was held on the Church lawn, donations were provided by Subway of Littleton and Top of the Hill Store, and Abbott Rental.

Two poetry readings were held during the summer at the library. Local poets read and the audience shared poems as well. In October the library held a Halloween Party for the children, games, refreshments and stories were provided. In November and December the library held some craft days for children; held a raffle during the Silver Tea; and also the library cosponsored the Memory Tree dedication with the Ladies Aid Society.

With the Capital Reserve Account Funds the library was able to purchase an updated computer system to finish the automation of the library collection. The library also installed a dedicated phone line for accessing the New Hampshire State Library database where 95% of our inter-library loans are located. The FAX machine shares this phone line.

I attended the New Hampshire Library Association (NHLA) Conference in May; the New England Library Association (NELA) Conference in October; and several state and local library related meetings throughout the year.

Many thanks are extended to the parents whom helped with all of this years programs. the support and encouragement of the community has been outstanding. We wish to thank all our patrons for their donated books, magazines, gifts and time to the library.

Respectfully submitted,

NORTH COUNTRY COUNCIL ANNUAL REPORT - 1996

This has been a very busy year at the Council. We completed 53 local and regional projects and were directly responsible for the investment of \$7 million in local infrastructure projects by federal or state funding sources. In cooperation with the NH Department of Transportation, the Council was involved in the development and implementation of \$16.5 million of transportation projects on the Ten Year Transportation Improvement Program (TIP). NCC was called upon many times each day to provide local technical advice, be "on call" for our members, respond to questions or provide guidance to land use boards, development corporations, boards of selectmen, chambers of commerce and civic groups. There are over 300 of these local bodies in the region and this last year saw us interacting with most of them at least once and many of them on numerous occasions. In addition, we convened numerous meetings, hearings and informational sessions on regional environmental, regulatory, development, permitting and public policy issues. Similarly, we provided advice, technical assistance and guidance on a weekly basis to businesses, public agencies and non-profit corporations. This last year, we responded to more than 200 requests for data, direction and advice from a very diverse mix of businesses, agencies and organizations. Beyond these requests, we have continued to maintain a regular dialogue with those state agencies that depend on us for a "linkage" to the communities of the North Country.

A new beginning for the Council was the opening of the North Country Council Development Center, located at the historic Rocks Estate in Bethlehem. The Center is the site of NCC's offices, the offices of the NH State Library and the North Country Arts Alliance. This next year will see the addition of another four tenants in spaces that will be ready for occupancy in the summer of 1997. Equally important to its function as a home for all these and other important regional resources, the Center will function as a research/demonstration site, partnership facilitator,

conference center, source of market information and communication vehicle for the North Country of New Hampshire.

During 1996, the Center hosted teams of planners from the Netherlands, Central America, the Caribbean, and Eastern Europe. Through these meetings we have gained a mutual understanding of the planning and development challenges we face as a world community. More specifically, these visits have provided us with an opportunity to learn new approaches to conserve resources and foster appropriate development, as well as make many new friends.

This year has been a watershed year for the Council. We have enhanced our staff capacity; we have undergone significant internal strengthening and we have restructured and reorganized, all in an effort to respond to regional need. Our goal, however, remains the same: to provide support and leadership to the region, its governments, businesses and citizens.

Preston S. Gilbert
Executive Director

REPORT OF THE DALTON PLANNING BOARD

The Planning Board has seen an increase in the amount of subdivisions and other activities this past year. the Board approved of five subdivisions with a total of 105.37 acres. These subdivisions created a total of 12 lots out of the original five.

The Board approved of four lot line adjustments with a total of about four acres. We also approved of four gravel pit applications. these gravel pits were already in existence, but the owners had changed hands and they had to file for new permits. these permits are issued according to RSA 155-E. Most of the gravel pits in Dalton have been grandfathered and only two have been new ones. These two are the Saunders Brothers on Rt. #142, and Douglas Ingerson's off Rt. #116.

A hearing was held last January on changes to the Planning Board Regulations and they were approved at that time. The Planning Board Regulations, Procedures, Floodplain Regulations, and excavation Regulations are now all on computer disks and are available in the Town Office.

The State of New Hampshire and the Federal Government are requiring the Board to make some changes to the Floodplain Regulations to update them. The proposed changes are basically some definitions, which will be posted ahead of time.

The Planning Board is still looking for people who would like to serve as members. Presently, the Board has only four regular members, but should have five. We would like to have some alternates too. The Board meets on the second Tuesday of every month at the Town Hall. Again, I want to thank all my fellow Board members for the cooperation and time this past year.

Leon A. Cloutier, Chairman

DALTON POLICE DEPARTMENT REPORT

1996 was another busy year for the Police Department. The number of investigations increased from 29 in 1995 (12 Accidents and 17 Criminal Investigations) to 60 investigations in 1996 (17 Accidents and 42 Criminal Investigations), an overall increase of 106%.

A breakdown of 1996 caseload is listed below:

Accidents	18	Alcohol Possession	5 Minors
Assault (Simple)	6	Assault (2nd Degree)	1
Assault (Sexual)	1	Burglary	3
Criminal Mischief	7	Criminal Trespass	1
Cruelty to Animals	1	Controlled Drugs	1
Habitual Offender	1	Harassment	1
Dog Violations	3	Hindering Apprehension	1
Resisting Arrest	1	Theft	5
Taking w/o Authority	1	Others	3

Traffic Activity

DWI	2	Speeding (Court)	5
Speeding (Warnings)	25	Suspended Licenses	3
Defective Equipment	6		

The men and women of the Police Department spent 51 hours on Accident Investigation and 165 hours on Criminal Investigations. There were also 45 hours of Court time. this in Court resulted in 5 Felony Convictions as well as more than 10 other convictions in District Court.

The revenues received by the town from the actions of the Police Department are as follows:

Income from Reports:	\$ 110.00
Income from Court Fines	\$ 475.00
Income from Cruiser Sales	\$1,226.99
Income from Pistol Permits	\$ 20.00

During December the Police Department obtained, at no cost, a Software package that will allow better reporting of incidents and crimes as well as reduce the amount of time it is necessary for an officer to spend writing reports. the software will allow the Town of Dalton, for the first time ever, to submit criminal reports & statistics to the State of New Hampshire. Without this information being forwarded to the state Dalton has been ineligible for any crime prevention or assistance grants from the Federal Government. This software was obtained from the Department of Safety/Division of State Police along with 2 days of training. The cost of the software, had it been purchased by the town would have been \$8,700.00

Also in the month of December the Department was notified that is was to receive, through a grant obtained by the New Hampshire County Attorney's Association, a Polaroid Law Enforcement (Camera) Kit for use in prosecution of Domestic Violence cases. A \$300.00 value.

During November, Sgt Carroll (Butch) Rexford decided that is was time to retire from police work after more than 25 years. We will all miss him. The Police Department will sorely miss his talent and assistance.

John Tholl
Dalton Police Chief

BIRTHS REGISTERED IN THE TOWN OF DALTON, N.H.
for the Year Ending December 31, 1996
